An accurate membership count, updated quarterly or annually. I'd like to see that data for the last five years, too. I'd also like to see the average giving unit contributions, and have access to an online church budget. Most of all I would like to see some kind of data tracking (reporting) of WUMC participation in mission activities - how many people serve at the Food Pantry, bags of food or toiletries donated, etc.

We've had 4 major changes in about 6 months. Pat left, Alan retired, contemporary service started, traditional hours changed, Sunday school changed. If there are any other cards up your sleeves, can you give us notice this time?
