

**How to Read These Results:**

The Overall Response graph (right) shows the average satisfaction and standard deviation from the recent scheduling survey.

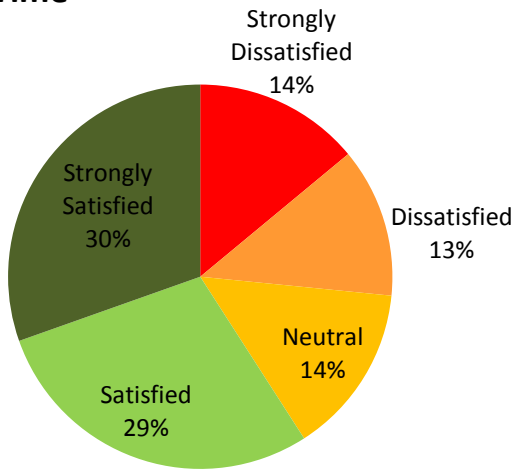

The pie charts below show the actual spread of results obtained regarding satisfaction with each of the questions on the survey.

If you have questions, please contact the Sunday Schedule Study Team directly, in writing at the church office, or by email at [wumcsched@gmail.com](mailto:wumcsched@gmail.com)

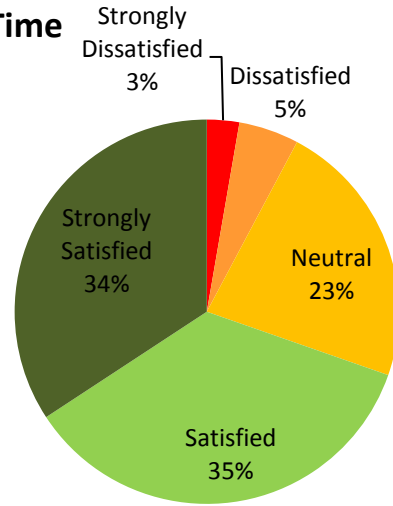

Thanks for your continuing participation and feedback
